## The Book

As announced in the 'Newsletter April 2016', Wild Brown Bear was in the process of publishing a book titled 'Photographing Wild Brown Bear In Finland'. We are finally pleased to announce the book is ready - here's the newsletter for the brand new book!

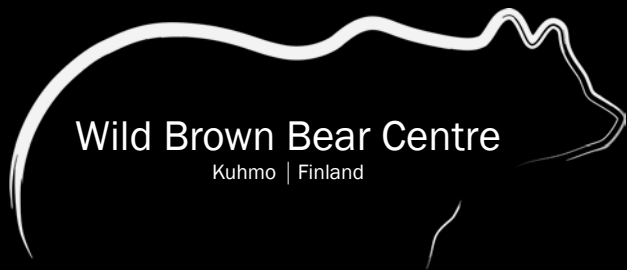

Finland is the land of bears where the possibilities to photograph bears in the wild are almost unlimited. In this book we present the possibilities of bear photography in Finland. Ideas of different photographic themes are presented covering the whole bear season, from the beginning of April all the way to the end of September.

Showcasing stunning photos with factual information makes this book the perfect accessory to plan your bear photography trip, coupled with the beautiful surroundings and wildlife of the Finnish nature.
